THIS POINT

To the Class of 1991:

A yearbook is more than printed pages, clever sayings and photographs. It is, in a very real sense, a record of memories-your memories-the memories you hold both individually and in common as students of Marple Newtown Senior High School. It is our hope that your days here at Marple Newtown have been enjoyable, as well as filled with learning and growth. You have received an education that will serve you well throughout your lives, and the memories within these pages will serve you in the quiet moments when you turn your thoughts back to your days spent with us.

On behalf of the faculty and administration, I wish you health, happiness and success throughout your lives.

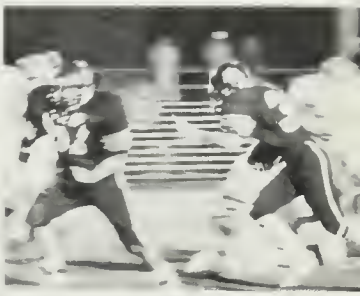
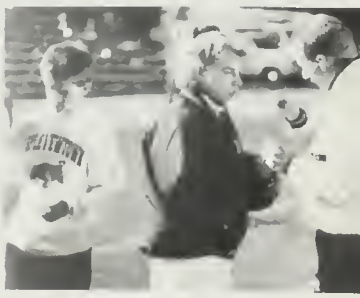
FOOTBALL

REMEMBER WHEN: Camp Paradise- NO HAZING . . . Early Morning Mile and 2:00 AM HILLS . . . M.N. line: we eat . . . Senior Boozers . . . Just one more play . . . Eddie 100% . . . Biggs in undies 2:00 AM . . . Local Union 6'5" 320 lbs. Cripple Club . . . Two Laps? . . . Finish your uniform it's not dirty . . . Pod, your so gosh darn stupid . . . Lad one more t.d. and??? VVVwhat . . . Did you get your green card . . . Paul, did I squeeze your head . . . the phantom D-back . . . the foreign connection- yak, Jose . . . M.N. showers- pick up my soap . . .





M.N. Football's 1990 season ended with great success, we finished 3rd place in the league (6-3), (6-5) overall. This is the first time M.N. football has had five consecutive winning seasons in thirty years. We had one of the toughest schedules in the county with our losses combined record came to be (42-5) and three of the teams were ranked in the top seven of the state. M.N.'s invincible defense held every team's rushing under 50 yards and ranked third in the county. Our balanced ground and air attack anchored our wins in the last five of our six games. M.N. was renown throughout the county by their physical awareness.

S-patrol, The Miss. Smith roll, What do we love most . . . . Amy Schmidt jumps. Is that a smokers cough?

The girls on the Marple Newtown field hockey team were tough competition for their opposition this year. Despite many hard losses, there was always the sense of team togetherness on the field. The tigers took many games into overtime and played each game with intensity.

With only five seniors graduating, and strong junior and sophomore classes, the future of M.N. hockey is in good hands. Next year's team is sure to improve their record, and once again Tiger hockey will be a domination force in the central league.

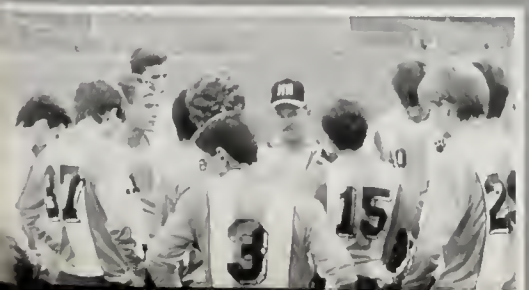
"We won a few, lost a few more, BUT we had fun."

-Brian B.

In the eyes of captains Aaron Silver and Adrain Hazbun, the 1990-1991 soccer season had it's ups and downs. We were able to win some big games against Sun Valley, Upper Darby in overtime, and Springfield in a come from behind effort. On the other hand we lost a lot of one goal games, the most disappointing being Ridley and Haverford. A few of these were come from ahead defeats. All in all, our long ball English style of play was successful when combined with a short passing game and the desire to play. good bye to all the seniors and good luck next year to the underclassmen. Special to Mr. Dertolet and Mr. Nagle.



Back Row: E. Corle, J. Forcey, Not available, N. Eckert, Middle: S. Kwon, H. Lee, K. Segarmark, J. Prevost Front: G. Loh, A. Sidorsky, C. Skarada, L. Myers, C. Falls

This year the golf team brought about a great improvement over last year's season. We were 4-4 in the league and were competitive against some of the strongest teams. Ken "the Shark" Fields highlighted the season with his 84 in the Central League Tournament and Jeff "Adolph, the divot" Doyle's 2 over qualifying 90. Strong coaching as always was administered by veteran Allan Jones.

T. Summners

The team finished with an even record in a very competitive Central League in the 1990 season with only three seniors on the Varsity Squad. There were many close and challenging matches because of the number of ranked players in the league. Freshman Allison Jones starred at the number one singles position and co-captains Tricia Summers and Heidi Connor played the second and third singles respectively. Overall, the varsity team is still young and they should be a strong threat next season!

DUCK!! . . .

Everything to be said is said. What now, Where to, Here I come, There I go - I am here. Think, one step at a time; just as we took one year at a time.

"Take it easy baby, take it as it comes . . . "

BAM!

The War streaked our senior year where its memory will always be with us. Patriotism-skin heads, long hairs, crew cuts - we are all in it together. George Bush and Baily: the top guns of the Territory.

Friends, friendships - feeble, fun. Take it with you or leave it home. Mr. Gwirtz, the true lion-heart: "Lift your hearts to old M.N. High!"
Here today - gone tomorrow.

I was honored to be your object of flippant presidentship. To take this to heart, I applaud you as seniors. We Made It! will make it, and can make it. ***12*** years - or more - ***NEVER*** to return. Relived only through memories.
Loving you and hoping for the best,

Rachel Matsumoto
